International Vehicle Shipping Companies

*Metti International is a bonded freight broker specializing in **auto transportation**, **car shipping** and **vehicle transportation**. As a professional auto transportation company, Metti International has been helping it's clients to move their valuable vehicles with special care to their respective destinations on time.*

Our strong business presence in the car shipping industry gives us the confidence to choose the best and affordable auto shipping carriers for you. While selecting the best auto transporters, we ensure that the auto carriers we choose have a rating of at least 95%. Also, we have contacts with over 35000 drivers and 5000 auto transporters.

- ❖ *First and foremost we ensure that the vehicle to be used for transporting our clients' possessions is fully insured.*
- ❖ *The next important step is to make sure that the car shipping company that we have selected for you meets your budget requirements.*
- ❖ *At Metti International, we offer various choices to transport your vehicle safely. The open carriers are meant for cost-effective vehicle transportation and the enclosed carriers can be hired to safeguard the luxurious and high end vehicles.*

*Located in the San Diego area, Metti International also transports the vehicles to international destinations in Australia, Europe, major parts of Asia and the Middle East. Within the United States, Metti International transports to the lower forty eight states, Hawaii and Alaska. Along with San Diego, some other main areas of operation of Metti International are **El Cajon**, **La Mesa** and **Spring Valley**.*

We offer Open Carriers, Enclosed Carriers and Ocean Carriers for **Car Transportation services**. For the international shipping, the Roll-On-Roll-Off (RoRo) service is available on the vessels. Metti International is a registered Central Dispatch Member since 2007. It has also got the BBB accreditation on the basis of the services provided.

Open Truck Door To Door

Your vehicle is transported on an open car carrier (similar to the ones used to deliver new cars from the manufacturer to the dealers). Your vehicle will be picked up at your door by a flat-bed or direct by multiple car carrier. Pickup times are pre-arranged, generally within 12-24 hours in advance. Deliveries are made to the door at your specified destination. Scheduling deliveries is the same as pickup. Typical transit times are quoted, A+ insurance provided at no additional cost.

Open Truck-Expedited Service

Your vehicle will be transported on an open car carrier. Guaranteed delivery times are quoted at additional cost. A+ insurance provided at no additional cost.

Enclosed Truck

Your vehicle will be transported on a completely enclosed trailer designed to transport classic automobiles, prototypes or vehicles that cannot be exposed to inclement weather. Typical transit times are quoted, A+ rated insurance provided at no additional cost.

Overseas Shipping

Air and Surface provided to our customers who need to transport their vehicle(s) anywhere in the world.
